Agreement for Cambrian Printers use of mailing data

In line with GDPR regulations, Cambrian Printers will take all necessary steps as detailed below in order to ensure your mailing data is protected and used only for its intended purpose i.e. the processing of data to mail out printed products to contacts within a supplied database.

1. Cambrian Printers hereby undertakes that on receipt of mailing data we will use it once only for the processing of the mailing.
2. Cambrian Printers acknowledges that the data is to be sent to us in confidence for use only as specified and we undertake not to disclose the data to any other persons. We will treat the data as strictly private and confidential and take all necessary steps to preserve confidentiality.
3. Cambrian Printers follows a strict procedure to ensure that data may only be accessed by relevant and authorised personnel.
4. Cambrian Printers acknowledges that the data remains the intellectual property of our customer and we therefore undertake not to copy or duplicate the data in anyway.
5. Cambrian Printers will delete any record we have of the data or any part thereof in whatever form at a suitable time (prior to the next issue or, where no issue is produced sooner, within one month) after the mailing has been completed unless otherwise specified by the customer.
